## Sangamon District Members Believe In Showing . . .

This fall members of the Sangamon District Shorthorn Assn., have exhibited at six major state fairs, the American Royal, and six of our members will be exhibiting at the International.

We believe, too, in strong Shorthorn exhibits as a means of boosting the breed at county fairs in the area. This fall our members exhibited at 21 different county fairs.

We would like to express our appreciation to those members who made this effort. Compilations of the records of three of these herds have been supplied to us for this catalog:

**KALLAL & DARR, JERSEYVILLE,** 7 fairs. 49 firsts. 6 grand championships.

**PIN OAK FARMS, CARLINVILLE,** 5 fairs. 45 firsts. 7 grand championships.

**M & M STOCK FARM** (Mangold & McDevitt). 9 fairs. 31 first. 3 grand championships.

### **LEVELDALE PRINCEPS**

#### **1959 International Grand Champion Bull**

Bred by Sangamon District member, Leveldale Farms, and purchased in the Leveldale 1959 sale for \$6,700 by Dr. A. H. Weiland for use in his Elmcrest herd. His first son sells in this sale. Six females bred to him or with calves at foot by him sell in the Elmcrest consignment.

It is a real pleasure to work closely with the members of this association, as my father did for so many years. In my estimation the Sangamon District Shorthorn Ass'n could serve as a model for the establishment of similar groups throughout the country. These breeders, living within about a 75-mile radius of Springfield, work in harmony towards the goal of keeping Shorthorns in front in this fertile farm and livestock area.

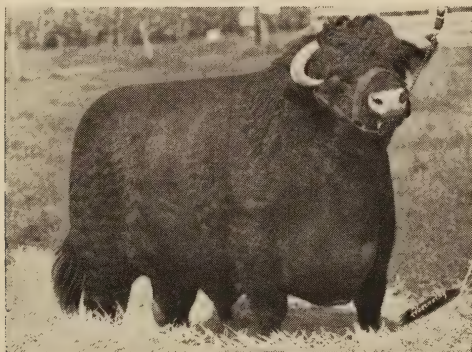

While many of these breeders show and consign nationally, they are very proud of this annual sale and strive to put in the kind that will keep buyers coming back. A strong spirit of friendly competition keeps everyone on their toes. In the Sangamon District you cannot stand still or someone will be passing you.

**DON LONGLEY, Sale Manager**

There is no richer soil in the world . . . no area with  
a greater concentration of superior Shorthorns !

**SANGAMON DISTRICT**

This sale, held annually, has become widely known for  
quality. Ask any of the hundreds of good cattlemen who  
have purchased here.

**LOUADA FEARLESS**

After a great show career he went into service  
at The Hickories, Pardeeville, Wisconsin, where  
he made an excellent record as a sire. Two  
years ago he was purchased by Ralph W. Bivin  
and Glenn Mangold. He is typical of the great  
sires whose get and service is represented in  
this sale offering.

# American Shorthorn Breeders' Association Guarantee

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
